# SYLVIA BROWNE

WORLD FAMOUS PSYCHIC & SPIRITUAL TEACHER

**LIVE AT THE RED ROBINSON SHOW THEATRE**

FRIDAY, APRIL 9

**Coquitlam, BC** – Considered by many to be the #1 psychic in North America, Sylvia Browne has become a legend in her own lifetime. The world-renowned spiritual teacher, author and lecturer manifested her psychic ability at the age of three in her hometown of Kansas City, Missouri. For many years, she shared her gift with family and friends before moving to California and assisting people privately. In 1974, she incorporated the Nirvana Foundation for Psychic Research ... a professional, legally sanctioned non-profit organization to further her paranormal research. Today the organization is known as the Sylvia Browne Corporation.

Browne's impact has been felt everywhere. She has worked with the police and the families of victims to solve crimes, has counselled numerous celebrities and has given spontaneous readings to audience members and viewers on such television talk shows as *The Montel Williams Show* and CNN's *Larry King Live*. Her rapid fire answers to questions about everything from life on the "Other Side" to Guides and Guardian Angels to the whereabouts of missing children are her hallmark.

Browne has over forty published works with seventeen making the New York Times' Bestsellers List. Her most recent book, *Psychic Healing: Using the Tools of a Medium to Cure Whatever Ails You* was released last year. With her down-to-earth personality and hilarious sense of humour, Browne thrills audiences as she dispenses advice on all things paranormal in a direct, open, no-holds-barred way that can be as startling as it is informative. Sylvia Browne will be appearing for a one-night engagement at Boulevard Casino's Red Robinson Show Theatre in April.
