QUEEN

IT'S A KINDA MAGIC

LIVE AT THE RED ROBINSON SHOW THEATRE

SATURDAY, MAY 16

Coquitlam, BC – After capturing the hearts of over 250,000 Queen fans and after conquering stages across the globe, Queen – It's A Kinda Magic is set to rock you! The production has electrified audiences in France, Spain, Portugal, Turkey, Germany, Dubai, Hong Kong, Singapore, Malaysia and the Philippines as well as in Canada and the United States.

With 21st century sound and lighting and a cast that takes magnetism to new heights, this theatrical attraction creates the 1986 world tour of Freddie Mercury and Queen taking audiences back in time to experience the passion of Mercury, the amazing guitar solos of Brian May, the thundering rhythms of Roger Taylor and all those truly amazing Queen harmonies. The stage performance and presence of Mercury in this production is so close to the real thing that Mercury's trusted personal assistant, confidante and biographer Peter Freestone has given it his personal thumbs up. "If you have ever wondered what it would have been like to witness and experience a live performance by Freddie Mercury, come and see this show," said Freestone. "The songs, the excitement and the thrill ... they're all there."

The show features over twenty original Queen hits including "We Will Rock You," "Bohemian Rhapsody," "Fat Bottomed Girls," "Another One Bites the Dust" and "We Are the Champions." Produced by Showtime Management and under the direction of John Van Grinsven Sr., this production is as close as you'll ever get to the real thing. Don't miss Queen – It's A Kinda Magic when it comes to Boulevard Casino's Red Robinson Show Theatre for one night only in May.
