AN EVENING WITH
CAPTAIN SIG &
THE HILLSTRAND BROTHERS

LIVE AT THE RED ROBINSON SHOW THEATRE
SATURDAY, SEPTEMBER 4

Coquitlam, BC – The cast of Discovery Channel's *Deadliest Catch* are leaving the unforgiving sea for the open road. In this live interactive event, they'll swap stories as they take the audience through some of the roughest situations that the captain and crew have ever had to face on the high seas. *Deadliest Catch* premiered in April, 2005 and currently airs in over 150 countries. The documentary series chronicles the real-life adventures aboard fishing boats in the Bering Sea during the Alaskan king crab and Opilio crab fishing seasons.

From the treacherous weather and crew conflicts to the triumphs of the team, the series has turned out to be one of the most popular shows in Discovery Channel history. And now for the first time, fans across North America will have a chance to hear the stories behind the show, view never-before-seen video footage and partake in a question and answer session as Captain Sig and the Hillstrand Brothers bring the intimate world of crab fishing to live audiences.
