CESAR MILLAN LIVE

AN EVENING WITH THE DOG WHISPERER

WEDNESDAY, OCTOBER 27 – RIVER ROCK CASINO RESORT

THURSDAY, OCTOBER 28 – BOULEVARD CASINO'S RED ROBINSON SHOW THEATRE

Oprah Winfrey, Scarlett Johansson, Will Smith and Nicholas Cage have all had their dogs trained and balanced by TV sensation, Cesar Millan. Cesar has gained a dedicated following as host of his Emmy-nominated television series, *Dog Whisperer* and now fans and dog lovers will have the opportunity to witness Cesar's talents first hand as he brings his enlightening and hugely entertaining live show to Canada for the first time. Cesar will have audiences spellbound as he shares his amazing insights on dog psychology and how people can inadvertently play a role in their dog's "behavioural issues."

Cesar will be using state-of-the-art multimedia accompanied by dogs and their owners to illustrate his unique concepts. During the first half of his show, he will teach the audience how the everyday things that we do in our homes can grow into behavioural issues. He will also offer invaluable tips and tools to help your dog be calm and balanced while at home. The second part of the show will then focus on the dog park where he will demonstrate the importance of energy and leadership. Over the course of the show, Cesar will have audiences seeing the world through their dog's eyes and his "fulfillment formula" will change their relationships with their dogs forever.

The all-new sixth season of *Dog Whisperer* premieres on Sunday, September 12 at 2:00 pm Pacific on National Geographic Channel. For more information, viewers can visit www.natgeotv.com.
