RIVER ROCK CASINO RESORT
PRESENTS

THE PINK FLOYD EXPERIENCE

SATURDAY, JANUARY 16

Richmond, BC – Pink Floyd is rarely discussed without using words like “psychedelic,” “conceptual” and “provocative.” Their shows are described as being theatrical with mind-blowing lights, unsurpassed sound and record breaking status. Without question, Pink Floyd remains one of the most influential rock bands of all time. So it was no easy feat to bring such a story to the stage. The show’s producers endeavoured to bring fans the show they never thought they’d see. They searched the continent for committed and talented musicians who could really do it justice ... this was a project that was not going to happen if it could not be done right.

The vision was not to produce a stadium show. In fact in an effort to create the true Pink Floyd experience, it would be just the opposite. Two key factors were at the core of the plan: keep it intimate (put the legendary combination of music, sound and lights in a theatre atmosphere) and ensure the sensual attack of Pink Floyd (give it top priority along with the music).

And they nailed it. They found the band, the lights and the sound to create the show for the ultimate Pink Floyd fan. All of their greatest hits are performed live including such favourites as “Money,” “Wish You Were Here,” “Time,” “Have A Cigar,” “Comfortably Numb” and “Another Brick in the Wall.” The world premiere shows of *The Pink Floyd Experience* opened in Calgary and Edmonton back in 2005 and has been touring and selling out theatres across North America ever since.
