RIVER ROCK CASINO RESORT
PRESENTS

AMERICA

LIVE AT THE RIVER ROCK SHOW THEATRE

FRIDAY, MARCH 12

Richmond, BC – In the midst of their fourth decade of music making, America has been a perennial on the concert circuit for thirty-seven years pleasing their loyal fan base and attracting new generations of followers. The world discovered America in 1972 when they hit the top of the charts with their single, “A Horse With No Name” making America a global household name and paving the way for an impressive string of hits following in its wake. Slightly more than a year after launching the group, Gerry Beckley, Dewey Bunnell and Dan Peek were bonafide superstars thanks to a timeless sound that seamlessly assimilated strands of rock, pop and folk elements into a thrilling musical stew.

America’s journey has found them exploring a wide variety of musical terrain. Their best known songs which also include “I Need You,” “Ventura Highway,” “Don’t Cross The River,” “Tin Man,” “Lonely People” and “Sister Golden Hair” were cornerstones of the 70’s Top 40 and FM rock radio. Yet beyond their impressive catalog of hits, listeners realized that there was always much more to America than surface perceptions. The combination of Beckley’s melodic pop rock and Bunnell’s use of folk-jazz elements, slinky Latin-leaning rhythms and impressionistic lyric imagery contrasted well with Peek’s more traditional country-rock leanings and highly personal lyrics. Their hits in the 80’s include “You Can Do Magic,” “Right Before Your Eyes” and “The Border.”

America’s albums – six certified Gold and Platinum with their first Greatest Hits collection, *History* hitting four million in sales – displayed a fuller range of the trio’s talents than did their singles. From anonymous horses to fast-moving trains, America’s extraordinary four-decade musical legacy of consummately crafted pop-rock songs, trademark lush harmonies and evocative lyrical landscapes will never go out of style. America will be performing at the River Rock Casino Resort in March, 2010.
