## **GREAT CANADIAN COMMENTS ON DISPUTE WITH CONSULTANT**

December 12, 2007 – Richmond, BC – Great Canadian Gaming Corporation [TSX:GC] (the “Company”) provides the following information in response to an application filed today in the Ontario Superior Court of Justice by its former consultant for certain matters pertaining to the Company’s business in the Province of Ontario.

In November 2005, the Company entered into an agreement (the “Consulting Agreement”) for certain consulting services for its operations in the Province of Ontario. On July 30, 2007, the Company terminated the Consulting Agreement.

In connection with the termination of the Consulting Agreement, the Company tendered the sum of \$1,552,236 being the full amount that the Company determined to be validly due and payable to the consultant. The consultant disputes the validity of the termination of the Consulting Agreement and refused payment of the Company’s assessment of the consultant’s monetary entitlement. The Company is of the belief that it has acted appropriately with respect to both the termination and the tendering of payment to the consultant, and intends to vigorously defend this action.
